"CATS IN THE CRADLE"

By HARRY CHAPIN

A child arrived just
the other day,
He came to the
world in the usual
way.
But there were
planes to catch, and
bills to pay.
He learned to walk
while I was away.
And he was talking
'fore I knew it, and
as he grew,
He'd say, "I'm gonna
be like you, dad. You
know I'm
gonna be like
you."

And the cat's in the
cradle and the silver
spoon,
Little boy blue and
the man in the moon.
"When you coming
home, dad?" "I don't
know when,
But we'll get
together then.
You know we'll have a
good time then."

My son turned ten just
the other day.
He said, "Thanks for
the ball, dad, come on
let's play.
Can you teach me to
throw?" I said, "Not
today,
I got a lot to do." He
said, "That's ok."
And he walked away,
but his smile never
dimmed,
Said, "I'm gonna be
like him, yeah.
You know I'm gonna
be like him."

And the cat's in the
cradle and the silver
spoon,
Little boy blue and
the man in the moon.
"When you coming
home, dad?" "I don't
know when,
But we'll get
together then.
You know we'll have a
good time then."

Well, he came from
college just the other
day,
So much like a man I
just had to say,
"Son, I'm proud of you.
Can you sit for a while?"
He shook his head, and
he said with a smile,
"What I'd really like,
dad, is to borrow the
car keys.
See you later. Can I
have them please?"

And the cat's in the
cradle and the
silver spoon,
Little boy blue and
the man in the
moon.
"When you coming
home, son?" "I
don't know when,
But we'll get
together then, dad.
You know we'll have
a good time then."

I've long since retired
and my son's moved
away.
I called him up just
the other day.
I said, "I'd like to
see you if you don't
mind."
He said, "I'd love to,
dad, if I could find
the time."

You see, my new job's
a hassle, and the
kid's got the flu,
But it's sure nice
talking to you, dad.
It's been sure nice
talking to you."
And as I hung up
the phone, it
occurred to me,
He'd grown up just
like me.

My boy was just like
me.

And the cat's in the
cradle and the
silver spoon,
Little boy blue and
the man in the
moon.
"When you coming
home, son?" "I don't
know when,
But we'll get
together then, dad.
You know we'll have
a good time then."

DEFINITION OF YOUTH

- Noun
- 1. A young person.
- 2. The time of life between childhood and maturity.
- 3. Early maturity; the state of being young or immature or inexperienced.

HOW TRUE IS THIS?

- Adults are often out of touch with what is important to youth, who worry about things that would not even occur to adults as being problems, let alone problems to be addressed by violence. The teasing in the shower, the insults, the pressure to act a particular way—these are the problems students must live with every day and the situations that often set them off (Bodine and Crawford, 1999).
